

Why can't I complete registration for an event?

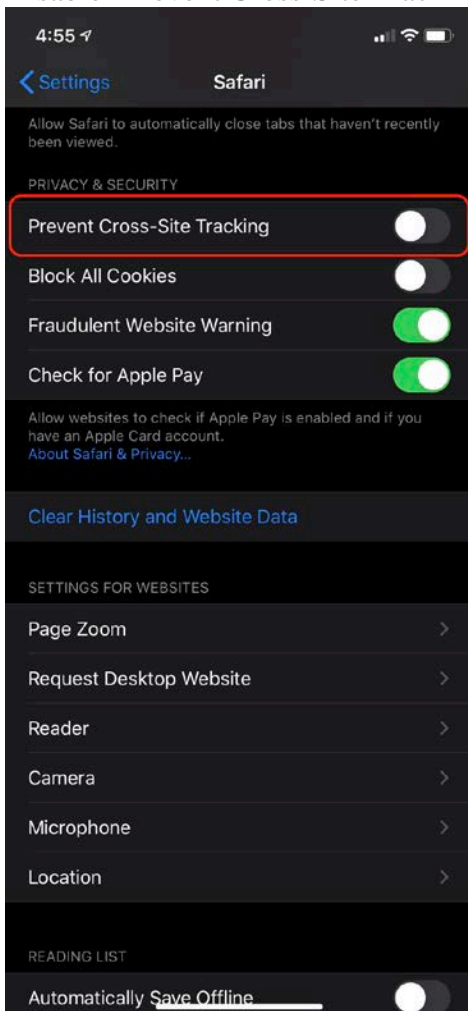

1. Payment Processing FAQ

Q: I am trying to register and pay for event using my Safari browser. When attempting to complete the registration, I am redirected back to the login page. How can I resolve this issue?

A: Recent Safari updates have affected the ability to register for events. To resolve this issue, use another browser or follow the instructions below to change your Safari Settings:

- **If using an iPhone:**

1. Go to Settings > Safari
2. Disable "Prevent Cross-Site Tracking" (as shown below)

- **If using a computer:**

1. Open Safari
2. Go to Safari > Preferences > Security
3. Disable "Prevent Cross-Site Tracking (as shown below)
